Sir:

The Notice of Allowance for the above-identified application was mailed September 5, 2007, and the Issue Fee is being paid herewith.

Applicant is citing the following reference to satisfy the duty of disclosure:

Foreign Patent References

This filing is not intended to represent that the above listed reference is material to patentability as defined in 37 C.F.R. §1.56. Rather, Applicant does not believe that the listed patent affects the patentability of the claims in the above captioned application. However, Applicant offers that the reference, though cumulative and not considered to be of particular relevance, may fall under the duty of disclosure; therefore, Applicant is filing the IDS. Applicant understands that the IDS will not be considered, but will be placed in the application file.
